## ABOUT US

Don Bosco Society, also known as the Salesians of Don Bosco, was founded in 1859 by St. John Bosco, who sought to educate and help the homeless and orphaned child laborers in Turin, Italy. Today, the Society has over 32,000 members working in 134 countries, offering educational and social services through schools, colleges, technical institutes, and youth centers. In India, the Salesians of Don Bosco have been operating since 1906 and offer services through 1 university, 48 colleges, 138 technical institutes, and 264 academic schools. The government recognizes the Salesians as the largest non-governmental provider of technical education in India. Don Bosco Institute of Technology (DBIT) (A Unit of Don Bosco Group of Educators), Okhla is situated adjacent to Sukhdev Vihar Metro Station, Okhla, South Delhi, 110 025. The college offers you opportunities to grow professionally and personally. It is affiliated with Guru Gobind Singh Indraprastha University (GGSIU), Dwarka, New Delhi, and is the best Institute for BCA, BBA & B. Com (Hons.) in Delhi NCR. The first care of the management is to give Higher Education to the youth in an atmosphere of peace, justice, and social responsibility. Here, first-rate infrastructure with strong academic facilities is provided to render a dynamic grounding for success.

## ABOUT CONFERENCE

**“The ignited minds of the youth is the most powerful resource on the Earth, above the Earth, and under the Earth ...” Dr. A.P.J. Abdul Kalam**

Youth has undeniable power. The growth of a nation is directly proportional to the number of skilled individuals available, and India has plenty of them waiting to be trained. They can contribute to economic growth and help to achieve the vision of a developed India if properly guided and given adequate resources and opportunities. Youth empowerment with a focus on dimensions of psychological, community, organizational, economic, social, and cultural will enable the development of competencies and skills among youth. The youth have to develop competence in the positive sense of self, self-control, decision-making, moral development skill enhancement, and pro-social connectedness.

Keeping this in view, the Honourable Prime Minister launched the Scheme of Viksit Bharat@2047, which represents the government of India's ambitious vision to transform the nation into a developed entity by the centenary of its Independence in 2047. The vision encompasses various aspects of development, including economic growth, social progress, environmental sustainability, and good governance. Realizing this vision demands unwavering dedication, a firm belief in India's destiny, and a profound recognition of the vast potential talent and capabilities of its people, particularly the youth. Engaging with the youth in the ideation process by soliciting their ideas and perspectives to harness their creativity and innovation for national development projects. The philosophy of Don Bosco is the empowerment of Youth with knowledge and skill development to create a sense of human value among youth who can be good citizens and will be contributors to the well-being of society. Moving forward with the legacy of Don Bosco, the Don Bosco Institute of Technology is organizing an International Conference on the Theme “Youth Empowerment through Skill Acquisition (YETSA): Opportunities and Challenges for Viksit Bharat”.

## OBJECTIVES OF THE CONFERENCE

The First International Conference, “Youth Empowerment through Skill Acquisition (YETSA): Opportunities and Challenges for Viksit Bharat” has the following objectives:

- To bring together Academicians, Researchers, Industry, and other stakeholders from various fields to exchange ideas and collaborate in line with the vision of Viksit Bharat by 2047
- To promote research and innovation in the fields of Technology, Management & Commerce, Media, and Social Science and encourage the integration of these fields in solving current challenges
- To provide a platform for showcasing high-quality research papers on the application of Technology, Management & Commerce, Media, and Social Science in innovative ways to benefit organizations and individuals
